8) EBO Requirements

The following provisions apply to SAIC's obligations in choosing the successful Bidder under this RFQ. The provisions below do not mean that the Bidders responding to this RFQ must meet these EBO percentages. Each Bidder responding to this RFP is however requested to provide proof of any status as an M/WBE. The complete EBO requirements are set forth in Attachment 2 to this RFQ. The following is the provision regarding SAIC's obligations:

In Vendor's Proposal, Bidder shall provide a complete participation plan or well documented good faith efforts. See the following pages for descriptions and forms.

Equal Business Opportunity Program

This Contract will be subject to the requirements of the City of Memphis Ordinance #5384 which establishes the Equal Business Opportunity ("EBO") Program. It is up to the Vendor to ensure that all requirements of this ordinance are met. The Ordinance may be accessed on the City's website at www.memphistn.gov under "Doing Business". The intent of the EBO Program is to increase the participation of locally owned minority and women owned business enterprises ("M/WBE") in the City's purchasing activities. Toward achieving this objective, the M/WBE participation goal for this solicitation follows the goals listed in Section 11.8 (a) and (b) of its prime Contract with the City entitled Masters Services Agreement between City of Memphis, Tennessee and Science Applications International Corporation. The goal in Section 11.8 (a) requires a 50% MWBE participation goal for goods and nonprofessional services with 30% designated toward MBE spend and 20% designated toward WBE spend. The goal in Section 11.8 (b) requires a 30% MWBE participation goal for professional services with 15% designated toward MBE spend and 15% designated toward WBE spend. The percentage of M/WBE participation is defined as the dollar value of subcontracts awarded to certified minority and/or women business enterprises divided by the total proposed base bid amount.

Participation Plan

The Participation Plan must include: (1) level and dollar amount of participation your firm anticipates to achieve in the performance of Contract resulting from this RFQ; (2) the type of work to be performed by the M/WBE participation; and (3) the names of the M/WBEs the Vendor plans to utilize in the performance of the Contract resulting from this RFQ.

Good Faith Efforts Documentation

If a Vendor proposes an M/WBE percentage less than the established goal, the Vendor must, at the time of the response, submit a Good Faith Efforts statement accompanied by the appropriate documentation justifying its submitted M/WBE percentage. The ability of the Vendor to perform the work with its own work force will not in itself excuse the Vendor from making good faith efforts to meet participation goals. The determination of whether a Vendor has made a good faith effort will be made by the City's Contract Compliance Officer, Director of Finance and the Purchasing Agent, prior to the award of the project.

Eligible M/WBE Firms

To qualify as an M/WBE firm, per the requirements of City of Memphis Ordinance #5384, a firm must be included on the City's list of certified M/WBE firms (see Exhibit 5: **EBO IT List**). One or a combination of several M/WBEs may be utilized to meet the established goal of 0 %. A list of the City's eligible MWBE firms is included in the specifications.

Requests for verification must be submitted to the City's Contract Compliance Office listed below:
